SUMMER READING WRAP-UP

Summer Reading Program Community Partners

We would like to thank the Dysart Community Foundation and Casey's General Store for supporting our 2021 reading program.

The Dysart Community Foundation grant award was used to purchase prizes in the form of gift certificates and Dysart Dollars and to bring the Absolute Science Bubble Stations program to Dysart. Casey's General Stores donated "sweet" reading prizes in the form of cookie gift certificates.

*September is National Library Card Sign-Up Month:
Libraries empower us to connect with each other,
to learn new things, to create, and to explore.*

Reading Challenges Continue

Thank you to everyone who completed Reading Bingo Cards, Short & Sweet Book Reviews, monthly theme challenges. We hope you had fun reading this summer! We had 42 completed bingo cards, 7 book reviews and over 500 entries into our monthly challenge drawings.

We had so much fun, we're continuing our monthly challenges. September's challenge is read any book with numbers in the title to be entered into a monthly drawing for local business gift certificates. Do you have an idea for a monthly theme? Let a staff member know, and we'll consider it.

Evening Event Success

We were so excited to see so many people be able to attend our two evening programs this summer! Our future plans will include more evening opportunities for patrons of all ages. Let us know what kinds of programs you'd like to see us offer.
